AB 1966 as amended in Senate June 6, 2024

(Pursuant to Joint Rule 26.5)

AB 1966, as it passed the Assembly, required a primary ticket seller, upon the purchase of a mobile or electronic ticket for an event at an entertainment facility, to include a notice with the ticket purchase confirmation electronically to the buyer that contains information relating to commercial sex and labor trafficking. AB 1966, as it passed the Assembly, required that information to include specified telephone numbers for certain nonprofit organizations that a person can call to access help and services for someone being forced to engage in commercial sex or labor trafficking.

The Senate amendments additionally require the above-described notice to include a specified number that a person can text to access that help and services and to be provided in English, Spanish, and in one other language, as specified.

Legislative Counsel's Digest

AB 960 as amended in Senate June 27, 2024

(Pursuant to Joint Rule 26.5)

AB 960, as it passed the Assembly, encouraged each public school with an enrollment of 100 pupils or more to implement a web-based or app-based school safety program that includes, among other things, the ability to alert first responders in the event of an emergency, remote access for first responders to connect to a schoolsite's surveillance system, and the ability for school administrators to know the location and condition of all pupils and staff through an information relay built into the application, as specified. AB 960, as it passed the Assembly, required a participating school to ensure that the program developers implement best practices to protect the security and data of all pupils and staff.

The Senate amendments, among other things, (1) authorize a designated schoolsite administrator or staff member to request law enforcement assistance using the web-based or app-based program only when there is a situation involving imminent danger of serious physical injury or death to a person on school property, as specified, (2) authorize first responders to connect to a schoolsite's surveillance system only when a designated schoolsite administrator or staff member requests law enforcement assistance, (3) prohibit the web-based or app-based program from using biometric information or requiring pupils or staff to use or install an app that provides real-time location tracking, and (4) require the program developers to, among other things, make the above-described best practices publicly available.

AB 960, as it passed the Assembly, exempted the information implemented pursuant to these provisions from any school safety plan disclosure requirements and disclosure under the California Public Records Act.

GOVERNOR'S VETOES

A.B. No. 2570—Joe Patterson.
An act relating to housing.

2024

Jul. 1—Enrolled and presented to the Governor at 4 p.m.
Jul. 15—Vetoed by Governor.

To the Members of the California State Assembly:

I am returning Assembly Bill 2570 without my signature. This bill would require the Department of Housing and Community Development to conduct an annual evaluation of the Homeless Housing, Assistance and Prevention program (HHAP) and include that information in the Department's annual report.

I support increasing transparency and accountability for cities and counties' use of state funding to address homelessness. Earlier this year, I directed California's Housing Accountability Unit to increase its oversight and enforcement of existing housing laws to address homelessness. Additionally, the recently adopted 2024 Budget includes statutory language that requires more frequent reporting by HHAP grantees on their expenditures, corrective action plans for grantees not meeting specified performance measures, and maintenance of compliant Housing Elements prior to receiving additional HHAP funding.

This bill is redundant to these efforts and creates an unnecessary ongoing workload for the Department without providing additional accountability or transparency to taxpayers.

For these reasons, I cannot sign this bill.

Sincerely,

Gavin Newsom

An act relating to communications.

2024

Jul. 1—Enrolled and presented to the Governor at 4 p.m.

Jul. 15—Vetoed by Governor.

To the Members of the California State Assembly:

I am returning Assembly Bill 2708 without my signature.

This bill requires the California Department of Technology (CDT) to annually report new specified information about the cost and estimated completion date of the Middle Mile Broadband Initiative (MMBI).

My Administration values its continued partnership with the Legislature to develop the largest open-access and publicly-owned broadband middle-mile network in the country. Investments in future-proof infrastructure, such as the MMBI, will further enable high-speed broadband service access to all Californians. The recently adopted 2024–25 Budget augmented funding for the MMBI and codified new and additional oversight and reporting requirements on CDT for the development and operation of the MMBI. This bill is redundant to these efforts and creates an unnecessary ongoing workload for CDT without providing additional accountability or transparency to taxpayers.

For this reason, I cannot sign this bill.

Sincerely,

Gavin Newsom

A.B. No. 1272—Wood.

An act relating to water.

2024

Jul. 18—Enrolled and presented to the Governor at 12:30 p.m.

Jul. 18—Vetoed by Governor.

To the Members of the California State Assembly:

I am returning Assembly Bill 1272 without my signature.

The bill would require the State Water Resources Control Board, in consultation with the Department of Fish and Wildlife, to adopt principles and guidelines for diversion and use of water in certain coastal watersheds during times of water shortage for drought preparedness and climate resiliency.

While I support efforts to protect coastal watersheds from the extreme dry conditions exacerbated by climate change, this bill creates significant, ongoing costs in the millions of dollars that should be considered in the annual budget process.

In partnership with the Legislature, we enacted a budget that closes a \$46.8 billion deficit in 2024–25 and a projected deficit of \$27.3 billion in 2025–26 through balanced solutions that avoided deep program cuts to vital services and protected investments in education, health care, climate, public safety, housing, and social service programs that millions of Californians rely on. It is important to remain disciplined when considering bills with significant fiscal implications that are not included in the budget, such as this measure.

For this reason, I cannot sign this bill.

Sincerely,

Gavin Newsom
