AB 456 as amended in Senate May 7, 2018

(Pursuant to Joint Rule 26.5)

AB 456, as it passed the Assembly, required post-master's degree hours of experience gained prior to registration with the Board of Behavioral Sciences as an associate clinical social worker to be credited toward licensure of the applicant so long as the board receives the application for registration within 90 days of the granting of the qualifying master's or doctoral degree and the applicant is thereafter granted the associate clinical social worker registration by the board, and prohibited an applicant from being employed or volunteering in a private practice until the applicant is registered as an associate clinical social worker by the board. The bill also made other nonsubstantive changes.

The Senate amendments change the required number of postdegree hours to 3,000 hours, provide that a maximum of 1,000 hours can be in client centered advocacy, consultation, evaluation, research, direct supervisor contact, and workshops, seminars, training sessions, or conferences, and require applicants completing graduate study on or after January 1, 2020, wishing to be granted preregistration postdegree hours of experience to obtain that experience at a workplace that requires completed live scan fingerprinting. The Senate amendments additionally require an applicant to provide the board a copy of a specified form related to live scan fingerprinting with his or her application and also make nonsubstantive changes to avoid the chaptering out of related provisions of AB 93.

AB 666 as amended in Senate June 19, 2018  
 (Pursuant to Joint Rule 26.5)

AB 666, as it passed the Assembly, required that an elections official who posts a candidate statement form on the election official's Web site must accept that form if it is submitted in accordance with the procedures set forth in the Elections Code, and cannot require additional forms as a means of correcting errors in the Web site posting, although the elections official may require a candidate to provide additional information necessary to comply with state law.

The Senate amendments additionally require, in the case of a candidate running in a multicounty district, the elections official of each county to accept the candidate statement form from the candidate's county of residence, and the candidate to provide a hard copy of the form and the requisite fee to each county. The Senate amendments also allow an elections official to require a candidate to provide additional information necessary to comply with county voter information guide requirements.

AB 873 as amended in Senate April 9, 2018  
(Pursuant to Joint Rule 26.5)

AB 873, as it passed the Assembly, commencing with the 2018–19 fiscal year, prohibited the auditor of the County of Los Angeles from reducing the amount of property tax revenue distributed to the City of Palmdale by reason of that city receiving property taxes previously allocated to a maintenance or improvement district, as specified.

The Senate amendments delete the contents of the bill and , instead, add to the classification of persons who are not peace officers but who are authorized to exercise the powers of arrest of a peace officer and to serve warrants, if trained as specified, a person employed by the Department of Food and Agriculture and designated by the Secretary of Food and Agriculture as an investigator, investigator supervisor, or investigator manager, provided that the person’s primary duty is enforcement of, and investigations relating to, commercial cannabis activity.

AB 1639 as amended in Senate September 5, 2017  
 (Pursuant to Joint Rule 26.5)

AB 1639, as it passed the Assembly, prohibited the California Victim Compensation Board from denying an application for a claim for the compensation of a victim and derivative victim of a crime solely because he or she is a person who is listed in the CalGang system.

The Senate amendments, instead, annually require every law enforcement agency to provide the board with the contact information of the agency's Victims of Crime Liaison Officer. The Senate amendments require the board to conduct outreach to local law enforcement agencies and annually to make available one hour of training on victim compensation to each Victims of Crime Liaison Officer. The Senate amendments require that the board's outreach and training affirm that neither access to information about victim compensation, nor an application for compensation, shall be denied on the basis of the victim's or derivative victim's membership in, association with, or affiliation with, a gang, designation as a suspected gang member, associate, or affiliate in a shared gang database, or documentation or immigration status.

To the Members of the California State Assembly:

I am returning Assembly Bill 1292 without my signature.

While the issue this bill seeks to address is important, the bill is premature. The California Public Utilities Commission has existing authority to exclude customers with onsite generation when it computes the average residential consumption of electricity. The Commission will determine whether or not to exclude customers with onsite generation through the General Rate Case process, weighing the impact among all rate payers. I believe the Commission will act to ensure that energy costs to ratepayers are fair and equitable.

Sincerely,

Edmund G. Brown Jr.

To the Members of the California State Assembly:

I am returning Assembly Bill 1337 without my signature.

This bill requires the Fish and Game Commission to provide a live video broadcast of its public meetings, including meetings of the Marine Resource Committee, the Wildlife Resources Committee and the Tribal Committee.

Public meetings of the full Commission, where official actions are taken, are already live broadcast. I believe broadcasts of committee level meetings should be reserved only for those times when there is extraordinary interest by the public. This is a matter which properly resides within the sound discretion of the Commission.

To the Members of the California State Assembly:

I am returning Assembly Bill 2307 without my signature.

This bill requires Governor appointees to the High-Speed Rail Authority Board of Directors to be subject to Senate confirmation.

In 2016, I signed Assembly Bill 1813 that added two members of the Legislature to the California High-Speed Rail Authority Board of Directors as ex-officio members. These additions brought the total number of legislative appointments to six out of the board's eleven total positions.

Such strong legislative presence on the board provides an unusual degree of accountability. This, in my judgement, when combined with the Independent Peer Review Group and oversight provided by the Legislative Analyst and State Auditor, should be enough to meet the author's objectives.

Sincerely,

Edmund G. Brown Jr.
