Legislative Counsel’s Digest
AB 840 as amended in Senate August 20, 2019
(Pursuant to Joint Rule 26.5)

AB 840, as it passed the Assembly, authorized the sale, service, or furnishing of alcoholic beverages on a specified premises located in this state and Nevada pursuant to an annual special on-sale general license issued by the Department of Alcoholic Beverage Control, subject to specified restrictions, and authorized the enforcement of specified criminal provisions on the premises. AB 840, as it passed the Assembly, made legislative findings and declarations as to the necessity of a special statute for premises located in the County of Placer and Nevada. AB 840, as it passed the Assembly, provided that specified restrictions on importation of alcoholic beverages into the state are not applicable to incidental amounts of alcoholic beverages brought into this state by an adult for personal use from a hotel that is jointly located within the jurisdictions of this state and Nevada.

The Senate amendments, instead, authorize the department to create and issue a special on-sale general license to a person who owns or operates a facility that is partially located in the County of Placer and partially located in the County of Washoe, State of Nevada, subject to specified conditions. The Senate amendments prohibit this special on-sale general license from being included in the number of on-sale general license available pursuant to, or otherwise subject to the requirements of, a provision limiting the number of premises for which on-sale general licenses may be issued in a county. The Senate amendments exempt the licensee from specified tied-house, marketing, and hours of sale restrictions, as specified.

AB 753, as it passed the Assembly, required the State Energy Resources Conservation and Development Commission to make specified moneys available as part of the Alternative and Renewable Fuel and Vehicle Technology Program to produce alternative and renewable low-carbon fuels in the state and to research, develop, produce, and deploy innovative and emerging fuels, as defined.

The Senate amendments delete all of those provisions and instead, ratify a specified amendment to the tribal-state gaming compact entered into between the State of California and the Cabazon Band of Mission Indians and provide that, in deference to tribal sovereignty, certain actions are not projects for the purposes of the California Environmental Quality Act (CEQA). The Senate amendments also declare that the provisions of the bill are to take effect immediately as an urgency measure.

AB 512 as amended in Senate August 30, 2019
(Pursuant to Joint Rule 26.5)

AB 512, as it passed the Assembly, required mental health plans serving the Medi-Cal program, among other things, to prepare a cultural competency assessment plan to address specified matters, including mental health disparities in access, utilization, and outcomes by various categories, such as race, ethnicity, and immigration status. AB 512 required the State Department of Health Care Services to consult with the Office of Health Equity and the Office of the Surgeon General to review and implement county assessments and statewide performance on mental health disparities reductions, and to direct an external quality review organization (EQRO) to publish, commencing January 1, 2020, statewide progress related to the statewide disparities reduction targets.

The Senate amendments as a cultural competence plan, delete the department’s obligation to consult with the Office of the Surgeon General, and instead authorize that consultation, and require the EQRO to publish, commencing January 1, 2024, specified information in an annual detailed technical report, including recommendations for statewide strategies to reduce mental health disparities.

Legislative Counsel’s Digest
AB 520 as amended in Senate August 26, 2019
(Pursuant to Joint Rule 26.5)

AB 520, as it passed the Assembly, defined “de minimis” for purposes of determining whether a public subsidy provided by a state or a political subdivision to a private development project is de minimis in the context of the project, under which circumstances an otherwise private development project would not, on that basis, become subject to specified law applicable to public works projects. AB 520, as it passed the Assembly, defined a de minimis public subsidy as being both (1) $275,000 or less and (2) less than 2% of the total project cost. That definition did not apply with respect to a project advertised or bid, or a contract awarded, on or before July 1, 2020.

The Senate amendments increase the maximum dollar amount for a public subsidy to be deemed de minimis to $500,000. The Senate amendments additionally define a de minimis public subsidy for a project consisting entirely of single-family dwellings to be less than 2% of the total project cost, without a specified maximum dollar amount.

The Senate amendments incorporate additional changes to Section 1720 of the Labor Code proposed by AB 1768 to be operative only if this bill and AB 1768 are enacted and this bill is enacted last.

AB 1188, as it passed the Assembly, established the rights and obligations of the person at risk of homelessness, the tenant, and the owner under these circumstances.

The Senate amendments prohibit any of the parties from agreeing to give the person at risk of homelessness rights that are less protective than that of a lodger, as defined. The Senate amendments repeal these provisions on January 1, 2024.

Legislative Counsel’s Digest
AB 1352 as amended in Senate August 12, 2019
(Pursuant to Joint Rule 26.5)

AB 1352, as it passed the Assembly, required a mental health board to report directly to the governing body of a local agency and authorized the board to act, review, and report independently from the county mental health department or county behavioral health department. AB 1352 also revised the duties of the mental health boards and encouraged counties to provide a budget for the board sufficient to ensure that board meetings may be held and administered independently from the county mental health department or county behavioral department. AB 1352 established the goal of appointing up to 13 of the board membership from entities that engage with seriously mentally ill individuals in the course of daily operations.

The Senate amendments, among other changes, delete the requirement that a mental health board report directly to the governing body and delete the authorization to act, review, and report independently and instead require the board to review and evaluate the local public mental health system and advise the governing body on community mental health services delivered by the local mental health agency or local behavioral agency. The Senate amendments revise the changes to the duties of the mental health board and encourage governing bodies, rather than counties, to provide a budget for the board sufficient to facilitate the purposes, duties, and responsibilities of the board, rather than to ensure that meetings may be held and administered independently. The Senate amendments delete the goal of appointing up to 13 of the board membership from entities that engage with seriously mentally ill individuals. The Senate amendments also include findings and declarations and a statement of legislative intent.

Legislative Counsel’s Digest

AB 588 as amended in Senate June 20, 2019

(Pursuant to Joint Rule 26.5)

AB 588, as it passed the Assembly, required an animal shelter or rescue group, as defined, that knows that a dog, at the age of 4 months or older, bit a person and broke that person’s skin, before selling, giving away, or otherwise releasing the dog, to disclose in writing to the person to whom the dog is released the dog’s bite history and other specified relevant information, and also required a signed acknowledgement from that person that they have been provided this information about the dog.

The Senate amendments modify the disclosure requirements such that an animal shelter or rescue group that knows, to the best of the knowledge of the shelter or rescue group that a dog, at the age of 4 months or older, bit a person and broke that person’s skin, thus requiring a state-mandated bite quarantine, before selling, giving away, or otherwise releasing the dog, must disclose in writing to the person to whom the dog is released the dog’s bite history and the circumstances related to the bite.

The Senate amendments also state that these requirements are for the purpose of public safety and the appropriate placement of dogs, and that a documented bite history does not necessarily preclude a dog from being available for adoption, release, or transfer, notwithstanding any other law or local ordinance related to biting dogs.

AB 734, as it passed the Assembly, required the department, no later than June 30, 2020, to consult with relevant stakeholders, including, but not limited to, foster youth, resource families, biological families, representatives of child and family services agencies, and foster family agencies, and to consider the stakeholders’ recommendations regarding specified parameters of the pilot program.

(Pursuant to Joint Rule 26.5)

AB 1026, as it passed the Assembly, required an electrical or gas corporation to provide written notice of the date that it approves an application for an extension of service to the customer. AB 1026, as it passed the Assembly, provided that only those construction and design laws, specifications, terms, and conditions that are applicable to a new extension-of-service project at the time of the application’s approval apply to the project for the 18 months following that date of approval.

The Senate amendments instead remove the written notice requirement, specify the date the application is approved is on the earlier of either the effective date of the contract for the extension of service or the date the utility first invoices the customer for the extension, and permit the electrical or gas corporation to adopt modifications to the construction and design specifications, standards, terms, and conditions applicable to a project pursuant to specified circumstances.

AB 1079 as amended in Senate June 11, 2019
(Pursuant to Joint Rule 26.5)

AB 1079, as it passed the Assembly, made existing limitations upon the disclosure of a person’s telephone number inapplicable when disclosure is to any law enforcement agency, fire protection agency, public health agency, public environmental health agency, city or county emergency services planning agency, or private for-profit agency operating under contract with, and at the direction of, one or more of those agencies, for the purpose of testing the systems that respond to 911 calls or communicate threats to life or property. This exclusion was in addition to the existing exclusion of a disclosure to one of the enumerated agencies for the purpose of responding to a 911 call or communicating an imminent threat to life or property.

The Senate amendments characterize the purpose of responding to a 911 call, communicating an imminent threat to life or property, or testing the systems that respond to 911 calls or communicate threats to life or property as a sole purpose.

(Pursuant to Joint Rule 26.5)

AB 1313, as it passed the Assembly, prohibited a school, as defined, using transcript issuance as a tool, including by means as further specified, for collection of a debt from a current or former student to a school. The Senate amendments create an exception by authorizing a third-party delivery service to deliver food to an individual who has a physical or mental condition that is a disability which limits the individual’s ability to access the food without the assistance of a third-party delivery service. The Senate amendments require a microenterprise home kitchen operation or an internet food service intermediary that offers or facilitates food delivery pursuant to this exception to maintain specified records about deliveries and make the records available to an enforcement agency and post general information about third-party delivery service on its internet website or mobile application. The Senate amendments prohibit a microenterprise home kitchen operation from producing, manufacturing, processing, freezing, or packaging milk or milk products, including, but not limited to, cheese and ice cream.

The Senate amendments instead require the state board, through a public process, to consider before January 1, 2023, allowing renewable natural gas or biogas that is delivered via a common carrier pipeline to a crude oil production or transport facility from a source that the state board determines directly reduces emissions of methane in the state to generate specified credits under the Low-Carbon Fuel Standard regulations.

Legislative Counsel’s Digest
AB 174 as amended in Senate August 30, 2019
(Pursuant to Joint Rule 26.5)

AB 174, as it passed the Assembly, required the board governing the California Health Benefit Exchange (Covered California) to administer enhanced premium assistance to individuals with household incomes below 400% of the federal poverty level, reduce premiums to zero for individuals with household incomes at or below 138% of the federal poverty level, reduce premiums for individuals with household incomes at or between 401% and 800% of the federal poverty level who are ineligible for federal advanced premium tax credits so their premiums do not exceed a specified percentage of their household incomes, and administer specified additional cost-sharing financial assistance for individuals with household incomes below 400% of the federal poverty level who are eligible for advanced premium tax credits. AB 174 authorized the board to proportionally reduce enhanced premium assistance if the projected cost for a fiscal year exceeds the amount appropriated in the Budget Act for that fiscal year. If the federal government reduced or eliminated funding for the advanced premium tax credit, AB 174 ended the administration of enhanced premium assistance 6 months after that change in federal funding.

The Senate amendments instead require the board of the Exchange, until January 1, 2023, to develop and prepare biannual public reports for the purpose of informing the California Health and Human Services Agency, the Legislature, and the public about the enrollment process for the individual market assistance program. The
Senate amendments require the reports to contain specified information, including, among other things, the number of applications received for the program during the reporting period and the disposition of those applications.

The Senate amendments also correct an erroneous cross-reference relating to the Attorney General’s written waiver of the approval requirements governing the sale or disposition of a nonprofit corporation that operates or controls a health facility or operates or controls a facility that provides similar health care.

**Vote:** 41. Substantial substantive change: yes.

An act relating to firearms.

2019
Jul. 2—Enrolled and presented to the Governor at 3:30 p.m.
Jul. 12—Vetoed by Governor.
Aug. 12—Consideration of Governor’s veto pending. Legislature has 60
calendar days, not including periods of joint recess, to consider
Governor’s veto (J.R. 58.5). Shall this bill become a law
notwithstanding the objections of the Governor?

To the Members of the California State Assembly:

I am returning Assembly Bill 603 without my signature.

This bill would add an additional exemption for possession of large capacity magazines and expand
access to licenses to carry concealed weapons in California.

When it comes to our gun safety laws, I believe that our focus should be on strengthening safety
protections - not expanding exemptions.

Furthermore, measures to amend these provisions of Proposition 63 are premature until ongoing litigation
is resolved.

Sincerely,

Gavin Newsom

Aug. 12—Consideration of Governor’s veto pending. Legislature has 60 calendar days, not including periods of joint recess, to consider Governor’s veto (J.R. 58.5). Shall this bill become a law notwithstanding the objections of the Governor?

To the Members of the California State Assembly:

I am returning Assembly Bill 618 without my signature.

The Cities of Emeryville and Scotts Valley have not yet reached the statewide cap of 2 percent, making it unclear why additional tax authority is needed.

Sincerely,

Gavin Newsom
A.B. No. 1221—Cooley et al.
An act relating to child abuse.

2019
Jul. 19—Enrolled and presented to the Governor at 1:30 p.m.
Jul. 30—Vetoed by Governor.
Aug. 12—Consideration of Governor’s veto pending. Legislature has 60
calendar days, not including periods of joint recess, to consider
Governor’s veto (J.R. 58.5). Shall this bill become a law
notwithstanding the objections of the Governor?

To the Members of the California State Assembly:

I am returning Assembly Bill 1221 without my signature.

This bill would specify requirements for what constitutes a child advocacy center established in counties
to coordinate the investigation and prosecution of child abuse cases.

While this bill is well-intentioned, it provides overly broad immunity from civil and criminal liability for
persons providing services to children and non-offending family members. For example, the measure
makes no exceptions when a service provider acted with malice, gross negligence or in bad faith, or has
been criminally charged with, or is suspected of, abusing or neglecting the child who is the subject of the
investigation or services provided.

For these reasons, I am unable to sign this bill.

Sincerely,

Gavin Newsom
