CALIFORNIA STATE ASSEMBLY
JOB LISTINGS

Office: Assembly Budget Committee
Classification: Committee Consultant
Posted: September 14, 2020

The Assembly Budget Committee seeks a consultant to cover general government issues including labor, employee compensation, pensions, elections, veterans, consumer affairs, cannabis, and consumer protection. The assignment may also include energy, depending on the experience level of the successful candidate.

The position will require the applicant to work independently in a high stress, deadline-rich environment with a heightened expectation for accountability. Given the uncertain fiscal situation facing the State in 2021, this position could require over 80 hours of work a week for extended periods.
Ideal applicants should have a minimum of 3-5 years of experience in either budget or legislative work, or a combination of the two. Applications with less than one year of work experience will not be considered.
