AB 1626 as amended in Senate June 11, 2026
(Pursuant to Joint Rule 26.5)

AB 1626, as it passed the Assembly, required specified trainings for coaches in noninterscholastic athletic programs at school districts, county offices of education, and charter schools and coaches in high school interscholastic athletic programs to cover specified mental health- related topics, including, among other topics, substantive awareness of behavioral and mental health challenges specific to pupil athletes, as specified.

The Senate amendments delete a duplicative mental health-related training topic regarding awareness of behavioral and mental health challenges specific to pupil athletes.

AB 1908 as amended in Senate June 3, 2026

(Pursuant to Joint Rule 26.5)

AB 1908, as it passed the Assembly, provided that, for purposes of determining the validity of refunding bonds to refund a tort action judgment entered against a public agency, as specified, indebtedness is deemed to be in existence on the date adoption by the governing body of the public agency of a resolution ordinance, as specified. The bill specified that obligations, for the purpose of validating proceedings, include a victims' compensation fund, as specified, which is authorized as of the date the establishment of such a fund by a county board of supervisors.

The Senate amendments delete those provisions and instead authorize a court to enter judgment pursuant to the terms of settlement if the claim being settled is eligible for payment from a victims' compensation fund or other victim-related financial assistance program established by the local public entity and an action arising from the claim has not been filed or has been voluntarily withdrawn by the plaintiff. The Senate amendments authorize enforcement of such an agreement in a subsequent action if the agreement is in writing and provides that it is enforceable pursuant to these provisions. The Senate amendments take effect immediately as an urgency statute.

AB 1954, as it passed the Assembly, exempted an individual who paid for the reservation from the bill's prohibition, if the course operator does not offer refunds.

The Senate amendments delete the condition that the operator does not offer refunds and, instead, apply the exemption if the operator fails to clearly post its cancellation policy on the internet website where the reservation is secured.

AB 1957 as amended in Senate August 3, 2026

(Pursuant to Joint Rule 26.5)

AB 1957, as it passed the Assembly, defined "eligible property" for purposes of existing law providing that a trustee's sale of property under a power of sale contained in a deed of trust or mortgage on real property containing one to 4 residential units is not final until the earliest of various time periods. AB 1957 removed prospective owner-occupants from the definition of "eligible bidder" for those sales. AB 1957 also added an attribute to the eligible nonprofit corporations portion of "eligible bidder." AB 1957 also required certain eligible bidders who submit bids pursuant to certain procedures to include in the bid an amount equal to 1.2% of the last and highest bid at the trustee's sale.

The Senate amendments change the definition of "eligible property." The Senate amendments change the term "eligible tenant buyer" to "eligible tenant bidder," and redefine the term "eligible bidder" to mean an eligible tenant bidder or an eligible community bidder, as defined. The Senate amendments remove the provisions regarding the 1.2% amount described above.

(Pursuant to Joint Rule 26.5)

AB 1977, as it passed the Assembly, required a notary public holding a California notary public commission, when applying for reappointment, to have satisfactorily completed a written examination prescribed by the Secretary of State prior to reappointment, required the Secretary of State to charge a $100 processing fee for a notary seal permit, and required the Secretary of State to review online notarization courses proposed by vendors, among other changes.

The Senate amendments authorize a notary to sign legal documents with their electronic signature when performing certain duties, require the electronic signature to include an image of the notary public's handwritten signature, and allow that electronic signature to be kept on a storage device or online media that is accessed by the notary public with a secure means of multifactor authentication and protected, as specified.

AB 1977, as it passed the Assembly, also prohibited a notary public from charging a fee for a terminated online notarization session.

The Senate amendments instead prohibit a notary public from charging a fee for certain online notarization services unless the online notarial act is completed. The Senate amendments authorize a notary public to charge a technology fee for a terminated online notarial act session if the termination is due to one of specified reasons and limit that fee to the actual and reasonable cost incurred by the notary public for the use of the online notarization platform.

The Senate amendments remove the authorization to accept moneys from, and to contract and cooperate with, any public agency to acquire and construct an employee housing project. AB 2595, as it passed the Assembly, established the San Mateo Electric Bicycle Safety Pilot Program, until January 1, 2031, to authorize a local authority within the County of San Mateo, or the County of San Mateo in unincorporated areas, to adopt an ordinance or resolution that would prohibit a person under 12 years of age from operating a class 1 or 2 electric bicycle and would make a violation of the prohibition an infraction. AB 2595, as it passed the Assembly, prohibited a fee from being imposed upon a citation for the infraction if the parent or legal guardian of the person who violated the prohibition delivers proof to the issuing agency within 120 days after the citation was issued that the person has completed an electric bicycle safety and training program, as specified.

The Senate amendments authorize a person who violated the prohibition to complete a related electric bicycle safety course, as specified, in order to avoid the fee, and also require a local authority that adopts an ordinance or resolution pursuant to the program to hold a public meeting to review and consider the substance of the report from the San Diego Electric Bicycle Safety Pilot Program, as specified.

The Senate amendments instead authorize a county elections official to propose, and a county board of supervisors to adopt, a system for each election in the county in which individuals are randomly selected to serve as precinct board members. The Senate amendments authorize an eligible individual to be excused if the person is 70 years of age or older, in ill health, or there is another sufficient reason. The Senate amendments authorize the elections official to disqualify a person if they deem the person unsuitable. The Senate amendments require an elections official to mail written notice to each person who is selected as a precinct board member, and they also repeal these provisions as of January 1, 2033.

AB 2180 as amended in Senate May 22, 2026

(Pursuant to Joint Rule 26.5)

AB 2180, as it passed the Assembly, authorized a local government, with respect to requirements applicable to the levying of assessments and property-related fees and charges by a local agency, to demonstrate the proportional cost of the service attributable to the parcel, by any method that reasonably allocates the ascertainable cost of providing service to all parcels, if substantiated as provided.

AB 2180, as it passed the Assembly, further provided that for water or sewer service fee or charge impositions, a local government is not required to provide an exact measure of the cost of the service at each parcel and may instead impose uniform or tiered rates to parcel or customer classes that are defined based on common characteristics indicative of likely water or sewer use.

AB 2180, as it passed the Assembly, also provided that the proportional cost of service within each tier of water service may be substantiated by using any reasonable basis for allocating costs attributed to the tier, as described, and provided a local government discretion to determine the costs allocated to each tier as long as the rate for each tier does not exceed the proportional cost of service reasonably allocated to parcels subject to that tier.

The Senate amendments specify that the bill's provisions do not apply to fees for water connections or sewer connections, or capacity charges, as specified.
