AB 1265 as amended in Senate June 25, 2026

(Pursuant to Joint Rule 26.5)

AB 1265, as it passed the Assembly, among other things, allowed a credit against the taxes imposed by the Personal Income Tax Law and the Corporation Tax Law, for taxable years beginning on or after January 1, 2027, and before January 1, 2031, for the rehabilitation of certified historic structures, as defined. The measure limited the amount of credits that could be allocated in a taxable year based on the amount specified in any bill providing for appropriations related to the Budget Act, as specified.

The Senate amendments instead allow the above-described credit for taxable years beginning on or after January 1, 2027, and before January 1, 2032. The amendments rephrase the credit limitation to require that the State Office of Historic Preservation and the California Tax Credit Allocation Committee allocate credits in an amount not to exceed the limit determined by the Legislature in the annual Budget Act. The Senate amendments also provide additional criteria to use for determining how the credits are to be allocated.

AB 2025 as amended in Senate August 5, 2026

AB 2025, as it passed the Assembly, required a person who includes a digitally altered image in an advertisement or other promotional material for rental of real property to include a statement disclosing that the image has been altered and a specified link that includes, and clearly identifies, the original unaltered image. AB 2025, as it passed the Assembly, required the statement to include language indicating that the unaltered images can be accessed on a specified link. AB 2025, as it passed the Assembly, required the advertisement or promotional material to include the unaltered version of the images, as specified, if the advertisement or promotional material is posted on an internet website over which the person has control.

The Senate amendments instead require that advertisement or other promotional material to include a disclosure, and remove the link requirements described above. The Senate amendments require the unaltered version of the images to be included regardless of whether the advertisement or promotional material is posted on an internet website over which the person has control. With respect to similar existing law regulating image use for an advertisement or other promotional material for the sale of real property, the Senate amendments specify that those provisions do not apply to an advertisement or other promotional material for the sale of real property described above for a leasehold exceeding one year's duration.

AB 2305 as amended in Senate June 1, 2026
(Pursuant to Joint Rule 26.5)

AB 2305, as it passed the Assembly, prohibited a corporate investor involved in any litigation practice from, among other things, interfering with a substantive litigation decision or exercising control over a litigation function. AB 2305, as it passed the Assembly, prohibited a corporate investor, or an entity it controls, from entering into any contract, agreement, or arrangement with a litigation practice if the contract would enable prohibited interference or control under these provisions, and further prohibited and voided a contract or terms that would permit or facilitate prohibited interference or control, as specified. AB 2305, as it passed the Assembly, deemed a violation of these provisions to be a cause for the imposition of discipline by the State Bar and to subject an attorney and the corporate investor to statutory or actual damages, attorney's fees and costs, and other relief, as specified.

The Senate amendments recast these provisions to, instead, provide that interference by a corporate lender with a substantive litigation decision or the exercise of control over a litigation function by a corporate lender constitutes the unauthorized practice of law. The Senate Amendments, also, prohibit a corporate lender or an entity it controls from entering into any contract, agreement or arrangement with a litigation practice if the contract would constitute the unauthorized practice of law under these provision and further prohibit and void a contract or terms that would permit or facilitate the unauthorized practice of law under these provisions, as specified. The Senate amendments preclude these provisions from being construed to prohibit the practice of nonrecourse litigation finance and declare that the practice of nonrecourse litigation finance does not constitute impermissible fee sharing, as provided.

AB 1116 as amended in Senate August 13, 2026
(Pursuant to Joint Rule 26.5)

AB 1116, as it passed the Assembly, authorized a person who is qualified to register to vote to submit an affidavit of voter registration on the Secretary of State's internet website even if the person has not been issued a California driver's license or state identification card, as long as the person provides the last four digits of their social security number with their affidavit. The bill required the Secretary of State to develop a process to allow such an applicant to electronically upload a high-quality digitized image of the applicant's signature through the electronic voter registration system. The bill specified that its provisions would become operative on the earlier of (1) January 1, 2027, or (2) five days after the date on which the Secretary of State certifies that information technology infrastructure necessary to implement its provisions is functional.

The Senate amendments replace the requirement for the Secretary of State to develop a process to allow an applicant to electronically upload an image of the applicant's signature along with their affidavit with a requirement for the Secretary of State to develop a method to collect an electronic image of an applicant's signature. The Senate amendments specify that the bill's provisions would instead become operative on January 1, 2029.

(Pursuant to Joint Rule 26.5)

AB 1180, as it passed the Assembly, required the Department of Financial Protection and Innovation to adopt regulations to allow any payment made under the Digital Financial Assets Law (DFAL) to be made with digital financial assets and required the department to submit, on or before January 1, 2028, a report to the Legislature on those regulations, as specified. AB 1180, as it passed the Assembly, provided that its provisions would become operative on July 1, 2026, and be repealed on January 1, 2031.

The Senate amendments instead authorize the department to adopt regulations to allow specified payments under the DFAL to be made with stablecoins, as provided. The Senate amendments provide that these provisions become operative on July 1, 2027, and repeal the provisions on January 1, 2032.

The Senate amendments additionally require the request to include a written declaration, signed under penalty of perjury, that the requestor is the owner of the property and has legal authority to request the assistance, that the information provided in the request is true and correct, that the requestor acknowledges that law enforcement may rely on the declaration in taking enforcement action, and that the requestor is required to notify law enforcement if they no longer have legal authority over the property or if the request is withdrawn. The Senate amendments also authorize law enforcement to reasonably rely on the above-described declaration unless it has actual knowledge that the declaration is false.

(Pursuant to Joint Rule 26.5)

AB 2594, as it passed the Assembly, extended the end date of a pilot program in southern California under which approved providers may undertake risk-bearing arrangements with a voluntary employees' beneficiary association with enrollment of more than 100,000 lives from December 31, 2027, to December 31, 2030, and required the department to submit an interim report, instead of a report after the termination of the pilot program, of specified findings to the Legislature before January 1, 2029.

The Senate amendments additionally authorize the department to terminate the pilot program for specified reasons and require the department to terminate the pilot program prior to the pilot program's end date based on any significant negative findings in any report on the program by the department. The Senate amendments, in addition to the findings described above, require the interim report to include policy recommendations for the Legislature to consider regarding the future authority of the department to continue the pilot program.
