The Senate amendments instead require the department to consider allowing applicants that utilize funds for adaptive reuse to be subject to the same timelines as new construction if the adaptive reuse involves substantial rehabilitation, reconstruction, or demolition of an existing structure. The Senate amendments define "substantial rehabilitation, reconstruction, or demolition" for these purposes to include a project in which at least 55% of the existing structure is demolished, replaced, or substantially reconstructed.

Legislative Counsel's Digest

AB 1184 as amended in Senate August 19, 2026

(Pursuant to Joint Rule 26.5)

AB 1184, as it passed the Assembly, among other things, required the board of directors of an association managing a common interest development, if the association becomes involved in litigation, to provide notice of the occurrence as part of the annual budget report distributed to members, as provided, authorized a member receiving the notice to request the name of the court and case number of any litigation, required discussions regarding ongoing litigation to have the case name included as part of the executive session meeting minutes, required notice to be given at the beginning of every open session of the board that the meeting is being recorded, exempted an election to amend the operating rules from a requirement that certain elections be held by secret ballot, and limited the costs and fees that a court is required to award if it finds that an association unreasonably withheld access to association records, as provided.

The Senate amendments, instead, require discussions regarding ongoing litigation to have the case name, case number, and name of the court included as part of the executive session meeting minutes, require the notice of recording to be given only for meetings that are recorded, authorize a recording used solely for creating meeting minutes to be deleted 12 months after the draft minutes are completed, require the board to make a physical copy of the minutes of a board meeting available to a member who requests a physical copy, as provided, require the minutes of a board meeting to include how each director voted on any amendment, adoption, or repeal of an operating rule, require the association's annual budget report to also include a statement listing any active litigation in which the association is named as a party, as specified, and recast provisions related to informational or ministerial communications between members of the board of directors.

Aug. 28—From committee: That the Senate amendments be concurred in. (Ayes 8. Noes 0.) (August 28).

Legislative Counsel's Digest

AB 1130 as amended in Senate August 13, 2026

(Pursuant to Joint Rule 26.5)

AB 1130, as it passed the Assembly, revised the removal authority of an appointing power of the Medical Board of California to authorize the removal of a member of the board appointed by that authority for continued neglect of duties required by law, or for incompetence, or unprofessional or dishonorable conduct.

The Senate Amendments delete the contents of AB 1130 and instead amend provisions of the Political Reform Act of 1974 that require a person paid by a committee to post online or digital content for the purpose of supporting or opposing a candidate for elective office or a ballot measure to include a disclaimer stating that they were paid by the committee in connection with the posting. Specifically, the Senate amendments subject a person who does not include this disclaimer to joint and several liability for any civil or administrative penalties incurred for the violation, require the committee to inform the person of potential penalties, and require the committee to include a statement on their campaign report, as specified, that the payment was provided for a paid thirty-party post.

AB 605 as amended in Senate August 21, 2026
(Pursuant to Joint Rule 26.5)

AB 605, as it passed the Assembly, enacted the Lower Emissions Cargo Handling Equipment Pilot program to prohibit the State Air Resources Board from adopting a future regulation that would prohibit or restrict the use of any cargo handling equipment, as defined, purchased pursuant to the pilot program before December 31, 2027.

The Senate amendments delete those provisions and, instead, establish the Refinery Safe Staffing Task Force to develop potential methods and strategies for ensuring maximum employee retention at refineries during, and especially in the time period preceding, a refinery closure or long-term idling, and addressing employment dislocations associated with oil, gas, and related industries.

The Senate amendments require the task force, no later than June 1, 2029, to present to the Legislature and make available online to the public a report that documents a wide range of potential methods and strategies for ensuring maximum employee retention in the time period preceding refinery closure or long-term idling of a refinery, for ensuring safe operation in the event of understaffing, and for transitioning oil and gas workers into sectors that match their skills and experience. The Senate amendments include related legislative findings and declarations.

The Senate amendments make these provisions inoperative on July 1, 2029 and repeal them on January 1, 2030.

AB 2433 as amended in Senate August 20, 2026
(Pursuant to Joint Rule 26.5)

AB 2433, as it passed the Assembly, among other things, defined the term "moderate-income household" for purposes of the Density Bonus Law and specified that this definition includes lower income households, very low income households, and extremely low income households, as defined.

The Senate amendments no longer provide that, for purposes of the Density Bonus Law, the definition of moderate-income household includes lower income households, very low income households, and extremely low income households, as defined.

AB 2433, as it passed the Assembly, revised and recast the provisions related to permitting of a density bonus relative to the geographic area to instead require a density bonus, incentive, or concession, or waiver or reduction, on sites that are the subject of the same housing development, as specified.

The Senate amendments additionally allow an applicant who provides a base density study, as defined, to elect to receive a density bonus in the form of a percentage increase in maximum floor area ratio, as specified. The Senate amendments create an additional exception to the requirement that base density be determined using dwelling units per acre for applicants who elect to provide a base density study.

AB 2433, as it passed the Assembly, required a housing development project that satisfies the requirements related to a California Environmental Quality Act exemption, as specified, and is eligible for a density bonus, incentives or concessions, and waivers or reductions of development standards for purposes of the Density Bonus Law and meets other affordability requirements, to be a use by right and subject to ministerial review.

AB 2633 as amended in Senate August 21, 2026
(Pursuant to Joint Rule 26.5)

AB 2633, as it passed the Assembly, made various revisions to provisions relating to a uniform, statewide, state-administered program of regulation of persons whose principal business is buying, selling, trading, auctioning, or taking in pawn tangible personal property, as defined.

The Senate amendments remove the term "principal" from certain findings and declarations provisions describing that program. The Senate amendments also make those provisions governing those tangible personal property transactions inapplicable to tangible personal property that has been acquired from a nonprofit organization or as a bulk purchase of donated items. The Senate amendments also reiterate that any person conducting business as a secondhand dealer is required to report secondhand tangible personal property that they acquire to the California Pawn and SecondhandDealer System (CAPSS).

AB 2633, as it passed the Assembly, expanded the definition of "tangible personal property" to include secondhand jewelry, items, or objects.

The Senate amendments remove that expansion. The Senate amendments, instead, revise provisions that defines "tangible personal property" to include all tangible personal property that the Attorney General statistically determines through the most recent Department of Justice crime data, as specified, to constitute a significant class of stolen goods. Specifically, the Senate amendments delete a provision that defines "significant class of stolen goods" to mean those items determined through the Department of Justice's most recent OpenJustice Web portal update to constitute more than 10% of property reported stolen in the calendar year preceding the annual posting of the list of significant classes of stolen goods.
